ARE YOU LOOKING FOR A PAID INTERNSHIP?

HAVE YOU EVER THOUGHT OF WORKING IN A STEM CAREER?
STEM = Science, Technology, Engineering, Math

The projected demand for STEM Careers in the Pioneer Valley (and all over the United States) promises to be strong in fields ranging from IT and Web Development to Medical Health Service and Records, to Financial Bookkeeping and Accounting.

These are careers that offer HIGH PAY and strong anticipated future JOB OPENINGS.

It’s never too soon to start building your professional experience!

The Collaborative for Educational Services in Northampton, in partnership with the MassHire Franklin Hampshire Workforce Board, is working with high schools and STEM employers in Franklin and Hampshire counties to find and place 50 enthusiastic students in paid internships in spring and summer 2019 as part of the STEM@Work Paid Internship Program.

Examples of STEM jobs:
- Biotechnician
- Engineer
- Environmental Assessor
- Occupational Therapist
- Machinist
- Financial Advisor
- Investment Analyst
- Physical Therapist
- Auto Technician
- Graphic Designer
- Computer Animator
- Manufacturer
- Nurse

THESE POSITIONS WILL GO QUICKLY! APPLY NOW!
