All Kinds of Diversity: Books and Materials for Pre-K - 6 Classrooms
2.10.22
Virtual session: 2.10 (2:30 - 5:30pm) | Alice Levine

CES OFFERS STUDENT-CENTERED WORK WITH INTERGROUP DIALOGUES

This program seeks to integrate social justice and equity-focused philosophy and practice into districts, schools and classrooms through the research-based practice of Intergroup Dialogue. This series of small group, cofacilitated, carefully structured experiences encourage relational dialogue rather than debate while exploring social group identity, conflict, community, and equity.

For more information, visit www.collaborative.org/Intergroup-Dialogues, or contact Angela Burke at aburke@collaborative.org

LEADERSHIP

Educator Evaluation: Shifting the Focus
