The first days and weeks at home with a new baby are among the most joyful—and overwhelming—you'll experience as a parent. Welcome Baby visits are a comfortable and comforting way for parents to connect with an early childhood expert and get information that you can use with your new baby and his or her siblings.

Our team member can help answer your questions about how your baby is growing and adjusting, what to expect in the coming weeks and months, and address concerns you might have about your baby's health and well-being as well as your own.

Welcome Baby is a free program made possible by funding from a Massachusetts Department of Early Education and Care Coordinated Family and Community Engagement grant serving several local communities.*

For more information about Welcome Baby and to schedule a visit for you and your baby, please contact us. We look forward to meeting you!
